PROFESSIONAL EXPERIENCE

INFORMATION TECHNOLOGY ASSOCIATE | EDUMi Sdn Bhd Kedah, Malaysia | Mar 2025 – Sep 2025

- Designed and built a Flutter-based mobile app for students abroad, improving accessibility and load speed by 30–40% compared to the web version.
- Optimized backend efficiency and data handling, increasing student information accessibility by 40%.
- Contributed to website maintenance and enhancements using Django, Python, HTML, CSS, and JavaScript, improving internal system usability and operational efficiency for over 10 employees.

DIGITAL MARKETING PART-TIME | EDUMi Sdn Bhd Kedah, Malaysia | Mar 2025 – Sep 2025

- Engaged with over 1,000 prospective students during national education fairs (Jom Masuk U 2025), contributing to 15% growth in inquiries for company programs.
- Produced digital marketing materials (TikTok videos, posters, and podcasts) that increased social media engagement by 40%.
- Supported social media scheduling and content planning across 3 major platforms (TikTok, Instagram, Facebook), ensuring consistent weekly posting cadence.

EDUCATION

UNIVERSITI UTARA MALAYSIA Kedah, Malaysia | Oct 2021 – Sep 2025

Bachelor of Science with Honours (Information Technology)

- Software Engineering Major
- Verified Badge from Cisco, CCNA: Introduction to Networks (2023)

PROJECTS

EDUMi Mobile | Student Progress & Activity Tracker Mobile App

- Engineered a cross-platform mobile application using Dart, Flutter, and SQLite to monitor student activities and progress, increasing data accessibility by 40%.
- Integrated user authentication, local data storage, and real-time updates via APIs, resulting in enhanced user experience and reduced manual tracking efforts.

Digital Library for Islamic Studies | Final Year Project

- Built a web-based digital library with PHP and MySQL, supporting and access for 200+ documents with a robust user authentication.
- Developed an advanced search and filter system, optimizing retrieval efficiency by 35% and incorporating responsive design with Bootstrap.

EXTRACURRICULAR

Head of Media and Publicity | UUM Frisbee Club

2021 – 2022

- Directed digital media strategies, boosting online engagement by 25% across social platforms through targeted campaigns.
- Designed promotional materials (posters, videos, content) with Canva and Adobe Photoshop, enhancing visual branding.
- Collaborated with committee members to plan digital campaigns and maintain consistent content branding.
